# AMELIA'S LONG JOURNEY

## STORIES ABOUT A BRAVE GIRL AND HER FIGHT AGAINST CANCER.

For John and Tricia Smith, life couldn't get any better. After years of waiting, they finally gained permanent custody of their adopted daughter. And then life couldn't get any worse.

In *Amelia's Long Journey*, John tells of the joys of becoming a parent and raising a beautiful little girl, and the terror of almost losing her. With the skill of a journalist and the heart of father, John lovingly chronicles Amelia's life: her early carefree years, the diagnosis of a cancerous brain tumor, the surgeries, the treatments, the remissions, the relapse, the recovery.

In a series of newspaper columns John L. Smith shares the nightmare his daughter has lived since she was eight years old, and the courage, humor, and optimism she's shown throughout.

*Amelia's Long Journey* is not only a story about a brave girl's fight against cancer, but a story about a precious little girl's love for life.
